

Full-time OBGYN Generalist at Grand River Hospital

Location: Kitchener/Waterloo, Ontario, Canada

The Department of Reproductive Medicine at Grand River Hospital is actively seeking a full-time OBGYN generalist to join our team and contribute to our rapidly growing patient population. We are looking for passionate individuals who are eager to be a part of a busy practice in the Kitchener/Waterloo area. We welcome individuals with subspecialty training or specific interests.

Responsibilities:

- Full time position, expectation to open and set-up community practice to serve our community demands. Exciting future plans underway for a new hospital build in development.
- Participate in the OB/GYN call system.
- 12 hour on-call shifts averaging 4-6 month divided equally among departmental members.
- Utilize elective operating room time effectively and efficiently.
- Have the opportunity to pursue access to colposcopy, urodynamics, and other specialized interests including our new innovative conscious sedation suite
- Collaborate with a dynamic group of colleagues interested in ongoing skill acquisition.
- Participation in regular undergraduate and post-graduate teaching through our partnerships with McMaster University and the University of Western Ontario
- Administrative contributions to the the department as required or ones which align with personal interests and skills.

Qualifications:

- Fellow of the Royal College of Surgeons of Canada (FRCSC)
- Doctorate in Medicine
- High volume Obstetrical experience
- Eligibility for licensure in Ontario, Canada through the CPSO
- Coverage with the Canadian Medical Protective Association
- Excellent communication and interpersonal skills.
- Commitment to providing high-quality patient care.

Benefits:

- Access to a large volume of obstetrics and a vast referral pool for gynaecology.
- One-year hospital privileges consistent with Grand River Hospital's policy for new hires, with the potential for a lifelong career following a successful probationary period.

- Opportunities for professional growth and development in a vibrant and growing community.
