**Job Posting – Full-time OBGYN**

We are currently recruiting a full-time OBGYN to join our team at St. Thomas Elgin General Hospital (STEGH). We are a group of four generalists, attending approximately 700 deliveries each year.

STEGH is a level 2A hospital with full pediatric and anesthesia support. We also provide consultative services to midwives. Interested physicians could start as a locum, with the option to transition to a permanent position.

The position is available immediately, and offers:

- Ample OR time (2 days per month)
- Newly built operating rooms (2018), with access to laparoscopy and hysteroscopy
- Home call, one week day and one weekend a month
- Access to Ambulatory Care for minor procedures, such as LEEPs
- Opportunity to teach and mentor residents and medical students through Schulich School of Medicine & Dentistry at Western University

The ideal candidate is:

- FRCSC certified
- Registered with CPSO
- Canadian Citizen/Permanent resident
- Interested in minimally invasive gynecology or urogynecology (considered an asset)

**About St. Thomas Elgin General Hospital**

St. Thomas Elgin General Hospital (STEGH) is a fully accredited hospital serving the City of St. Thomas and all seven municipalities within the County of Elgin. STEGH operates 179 acute inpatient beds with over 1,000 staff, approximately 230 physicians, and close to 200 volunteers. With a proud history and legacy in the community for almost 70 years, STEGH offers a full range of medical and surgical services.

In the last five years, STEGH constructed a new North Building that houses a state-of-the-art Emergency Department, four new operating theatres, and an open concept mental health facility.

One of the region's largest employers, STEGH is an award winning facility and was named one of the World's Best Hospitals by Newsweek in 2022.
