

# Obstetrics/Gynecologist

## Chilliwack General Hospital

### Full-time position: Obstetrician & Gynecologist

Chilliwack General Hospital is looking for two OB/GYNs on a permanent full-time basis. A full FTE at our site would include on-call work from home and two (2) to three (3) OR days per month. Call frequency would be approximately seven (7) to eight (8) calls per month.

Our site delivers about 800 babies per year and our OB practice is mainly consultative with the majority of deliveries done by a group of family practice maternity physicians and midwives. The ideal candidate is interested in practicing general OB/GYN in a community hospital.

Chilliwack is a thriving and growing community with excellent infrastructure for family life and endless opportunity for outdoor living and recreation. Our hospital enjoys a very high level of support from our community with very cohesive and supportive family practice physicians, midwife, nursing staff and specialty services.

To apply to this opportunity, please forward your CV, letter of interest, and either two referee contact names or two letters of reference to the attention of:

[medicalstaffrecruitment@fraserhealth.ca](mailto:medicalstaffrecruitment@fraserhealth.ca) no later than **February 28, 2023**. The anticipated start date is March 15, 2023.
