

## Health PEI

Health PEI is currently seeking Locum Obstetricians/Gynecologists to provide support to its team of specialists. Available now is a long-term locum up to 12 months, as well as shorter-term locums that can be one week or as long as six months. The Obstetricians/Gynecologists will work out of a shared clinic located in Prince Edward Island's charming capital city, [Charlottetown](#).

The Locum physician will share in the responsibility for the care of approximately two-thirds of the women in the province of Prince Edward Island, which has a population of more than 150,000 residents. Obstetricians/Gynecologists in the province provide prenatal care and deliveries.

The physician will have privileges in the Queen Elizabeth Hospital, the provincial referral centre, a 243-bed facility, providing a broad range of specialty support services including; general surgery, urology, radiology, medicine and ICU. The service is well supported by the local tertiary centre for maternal-fetal medicine and oncology services.
