

The Department of Obstetrics and Gynecology at Sunnybrook Health Sciences Centre (SHSC), in partnership with the University of Toronto, Faculty of Medicine, Department of Obstetrics and Gynecology is currently recruiting a full-time academic physician to the position of **Division Head**, Maternal Fetal Medicine, DAN Women and Babies Program.

The successful candidate should be recognized nationally/internationally for their expertise in Maternal Fetal Medicine and have a strong research portfolio. In addition, the candidate will have experience in medical leadership and continue to foster and promote the vision of the Women and Babies Program

The candidate must foster an environment of collaborative interdisciplinary research and provide mentorship and teaching to trainees at all levels.

The U of T job description will be as clinician investigator or scientist, with a minimum 40% protected time.

SHSC has a diverse workforce and the hospital is an equal opportunity employer. All qualified candidates are encouraged to apply. Canadians and permanent residents will be given priority. The Department of Obstetrics and Gynecology, as well as the University of Toronto, are strongly committed to diversity within their communities and especially welcome applications from visible minority group members, women, Aboriginal persons, and persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply.

The qualified applicants should hold a certificate in Maternal Fetal Medicine by the RCPSC. Candidates must hold or be eligible for licensure with the College of Physicians and Surgeons of Ontario.

The successful candidate must be eligible for an academic appointment with the University of Toronto's Department of Obstetrics and Gynecology at the rank of Associate or Full Professor.

The successful candidate will promote and demonstrate excellence in professional practice and conduct.

Qualified candidates are requested to apply with a letter of interest, three references and curriculum vitae, as well as supporting credentials.
