

Cambridge Memorial Hospital (CMH) is looking for a **General Obstetrician/Gynecologist** to join our team.

Cambridge Memorial Hospital is a 190 bed community hospital with full diagnostic laboratory and imaging support services. We are a Level 2C hospital, caring for mothers and babies from 34 weeks gestational age and above. We do between 1400-1600 deliveries a year and have a new Labour & Delivery and Postpartum floor (opened January 2020) and new Surgical Suites (opened June 2020).

The ideal candidate would practice colposcopy and general obstetrics and gynecology including office practice, 1 in 7 on call duties and OR (with a focus on minimally invasive surgery). Only candidates who are FRCSC trained and have an independent, unrestricted licence with the CPSO will be considered.

Cambridge Memorial Hospital is a community hospital located in southwestern Ontario within easy access of Toronto, Hamilton and London. Cambridge provides a high standard of living with attractive residential areas, an excellent selection of schools, easy access to five major universities and many recreational activities.

We are an affiliated teaching site with the Waterloo Campus of the Michael G. DeGroote School of Medicine, McMaster University and work with a variety of levels of medical learners.

Interested candidates may forward their Letter of Interest and CV to: Dr. Kristin Wadsworth, Chief and Medical Director Obstetrics and Gynecology, c/o Stephanie Evans in the Medical Administration office at Cambridge Memorial Hospital:
