South Health Campus, Calgary Zone

**Dates of Locum Opportunity # 1:** December 13, 2021 to September 6, 2022

**Dates of Locum Opportunity # 2:** January 20, 2022 to September 18, 2022

### Job Description:

The Department of Obstetrics and Gynecology, Alberta Health Services (AHS) Calgary Zone, and the Cumming School of Medicine, University of Calgary are actively recruiting for two locum Generalist Obstetrician Gynaecologists to be located at the South Health Campus. These are two full-time locum opportunities that include OR time, and a heavy OB practice. The successful candidates will have the opportunity to work in an academic setting, providing care to women in a busy hospital in Calgary. The physicians will be expected to provide ambulatory and surgical care for women; and participate in both the obstetrics and gynaecology call schedules. These are fee for service positions. Alberta offers very competitive billing codes compared to other Canadian provinces.

Alberta Health Services, Calgary Zone services a population of ~1.34 million people. Calgary is a vibrant city, surrounded by natural beauty, with world-class ski resorts just a 90-minute drive away. The dramatic, and beautiful, Rocky Mountains provide the backdrop to the city's stunning vistas.

### Requirements:

Candidates should possess an FRCSC or equivalent certification and have strong surgical skills. The department will give preference to applicants with experience and expertise in gynaecologic surgery. Candidates must demonstrate the ability to collaborate effectively with their peers.

Candidate must be eligible for licensure with the College of Physicians and Surgeons of Alberta; must read, write and speak English.

Priority will be given to Canadian citizen/permanent resident, but all qualified candidates are encouraged to apply.

## Application Process:

Please forward your current CV, letter of intent and three letters of reference, from physicians who can comment on your skills, directly to the Department of Obstetrics and Gynecology, Department Chair, Dr. Colin Birch.
