

**OBSTETRICIAN/GYNEACOLOGIST**  
**GEOGRAPHICAL FULL-TIME ACADEMIC**  
**Position Number: 31055**

The University of Manitoba, Rady Faculty of Health Sciences, Max Rady College of Medicine and Shared Health have developed a unique partnership to actively support health education, research, and the provision of the highest standard of quality patient care. Focused on providing medicine with meaning, advancing knowledge and technology and educating tomorrow's health care professionals, it is our collaborative strengths that will lead us into the future.

The Department of Obstetrics, Gynecology and Reproductive Sciences is seeking a Geographic Full Time (GFT) Obstetrician/Gynaecologist. The successful candidate will be eligible for an appointment at the rank of Assistant Professor (or higher depending on current academic rank) in the Rady Faculty of Health Sciences, Max Rady College of Medicine at the University of Manitoba. Remuneration will be commensurate with qualifications and experience.

**Job Description**

The successful candidate will have comprehensive obstetrical and gynecological skills with additional competencies relevant to the care of women living in the core area of our city. We are particularly interested in candidates who are prepared to address unmet needs in conventional models of care.

Clinical responsibilities include acting as a consultant obstetrician/gynecologist based at HSC Women's Hospital. A major requirement will be the care of women with psychiatric disorders, substance use and complex psychosocial issues. Participation in the on-call schedule is essential. Academic responsibilities include mentorship of colleagues, residents and undergraduate students. Leadership and innovation will be important components of these roles.

A strong commitment to medical education will be required including undergraduate classroom teaching, postgraduate lectures, grand rounds, departmental rounds and clinical/bedside teaching. The successful candidate will support a work and learning environment that embraces the College of Medicine's Equity, Diversity and Inclusion policies, providing for the equality and reflecting the dignity of all people.

Effective administrative skills are required. Leadership and innovation will be important components of this role. We are committed to substantially increasing access to quality care for the patients we serve, particularly those from underserved populations.

Equity and diversity are essential to excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, in recognition of the underrepresentation of members of historically and currently under-represented groups, and pursuant to the Manitoba Human Rights Commission Policy I-7, preference will be given to applicants who self-identify as women, Indigenous peoples, persons with disabilities, racialized persons, as well as other historically underrepresented groups such as 2SLBGTQ+.

## **QUALIFICATIONS:**

- Current or eligibility for licensure with the College of Physicians and Surgeons of Manitoba specialist registry as a generalist Obstetrician Gynecologist
- Fellowship from the Royal College of Physicians and Surgeons of Canada in Obstetrics & Gynecology
- Canadian citizenship or permanent residency
- Eligibility for hospital privileges within Shared Health
- Eligibility for a University of Manitoba teaching appointment

Review of applications will begin immediately and will continue until the position is filled. Start date is December 1, 2021 or on a start date that is negotiable. Applicants are asked to send a cover letter, curriculum vitae, a portfolio of academic activity including research and teaching, and contact information for three referees to:
